## TRIBAL TANF

If you are a Native American Indian family and would like to apply for Tribal Temporary Assistance to Needy Families, here's what you need to know.

You can get Tribal TANF or cash benefits and job services from the Torres-Martinez Tribal TANF Consortium. Tribal TANF is like CalWORKs in Los Angeles County. Tribal TANF gets you ready for a job, helps you finding a job, and helps to get you off Tribal TANF.

You are eligible to receive 60 months of cash aid because Tribal TANF follows federal rules, not State rules.

You can get more information about the Torres-Martinez Tribal TANF or you can schedule an appointment at (888) 787-TANF (8263). Your unique needs and challenges as a Native American will be met by Tribal TANF.
