

GR Redesign Table Agenda

Date : July 29, 2025

Location : TEAMS

Objective

- To provide a comprehensive overview of the General Relief (GR) Program, including its policies, supportive services, and overall purpose. This overview will also highlight current challenges and limitations within the existing program structure. The goal is to build a shared understanding of why a redesign is necessary and how it can lead to more equitable, effective, and human-centered services.
