

CIVIL RIGHTS INFORMATION NOTICE

WHAT ARE CIVIL RIGHTS?

Civil Rights are laws that protect individuals from being discriminated against. The Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 and other federal and state regulations say that discrimination is against the law in programs receiving federal and state financial aid.

WHO DO THEY PROTECT?

If you are applying for or receiving cash assistance, Medi-Cal, CalFresh, or social services in Los Angeles County, you are protected under the law against discrimination regarding these benefits and you have specific rights.

You have the right to receive the same services, consideration, and equal treatment given to all other applicants or participants regardless of:

Race, Color, Ancestry, National Origin (including language), Ethnic Group Identification, Age, Physical or Mental Disability, Medical Condition, Religion, Sex, Gender, Gender Identity or Expression, Sexual Orientation, Marital Status, Domestic Partnership, Political Affiliation, Citizenship, Immigration Status, and Genetic Information.

You have the right to:

- Receive free interpretive services in any language when applying for benefits or to continue receiving benefits.

- Call the DPSS Customer Service Center at 866-613-3777 and have County notices in English, verbally read, translated, and explained to you in any language; and
- Receive a reasonable accommodation if you have a physical or mental disability to help you access and participate in DPSS programs and services.

HOW TO FILE A COMPLAINT

If you believe you have been discriminated against because of race, color, ancestry, national origin (including language), ethnic group identification, age, physical or mental disability, medical condition, religion, sex, gender, gender identity or expression, sexual orientation, marital status, domestic partnership, political affiliation, citizenship, immigration status, and/or genetic information, or you have experienced retaliation by DPSS staff or contractor, then you may take one or all of the following actions:

You may ask to speak with the Department of Public Social Services (DPSS) Civil Rights Liaison. They can help you file a civil rights complaint by providing a PA 607, "Complaint of Discriminatory Treatment," and helping you complete the form.

You may also contact Los Angeles County DPSS, State and Federal agencies directly, using the contact information listed on the back side of this Notice.

You may request an investigation from the DPSS Civil Rights Section either verbally or in writing by contacting the Civil Rights Coordinator. You may write your own statement or use a PA 607 form to document your complaint. The PA 607 form is available to any person or organizational representative in the community requesting it. It is also available online at dpss.lacounty.gov.

The Civil Rights Section will contact you for more information, if needed, and inform you of the investigation findings in writing. If you disagree with the County's findings, you may appeal to the California Department of Social Services, or if it involves the CalFresh Program, you may appeal to the U.S. Department of Agriculture.

Your complaint must be filed within 180 days from the date that you believe you were discriminated against.

If the discrimination complaint impacted your benefits and services, you may request a state hearing. A discrimination investigation cannot change your benefits or services. Only a state hearing can do that. DPSS cannot retaliate against you if you request a hearing or file a discrimination complaint.

You may file your complaint with one or all of the following applicable County, State and Federal agencies:
